

ABRSM JAZZ PIANO SYLLABUS

Some student feedback from previous courses

- Inspiring - this course was unbelievably fantastic!
- Brilliantly structured course with very clear, concise explanations and instructions for things I usually struggle with, but now understand fully.
- Wonderful tutor who not only knew his jazz music but also how to communicate his teaching.
- Not only did this course enable me to begin teaching the ABRSM jazz piano syllabus to my students, it has also really inspired me to explore jazz further. I would highly recommend it.
- Would definitely recommend, comprehensive and enjoyable.
- Inspiring course, brilliant teaching.
- Really thorough, organized and intensive. So pleased I did it. Have lots to take away with me.
- A very good, clearly communicated introduction to jazz with clear indications regarding passing on the information to pupils. Would recommend to jazz beginners.
- Very well structured, interesting, highly recommended. It has definitely inspired me to learn more about jazz. Brilliant teaching.
